# Minutes of Annual Meeting

## 1984 Town of Allenstown

The annual meeting of the Town of Allenstown was held on March 17, 1984. Meeting was called to order at 1:00 p.m. by William Smith who asked the townspeople to remember Richard McNamara who recently died. 106 people were in attendance.

**Article 1** To choose all necessary Town Officers for the ensuing year.

This Article was taken care of on March 13, 1984. The results are known.

**Article 2** To see if the Town will vote to adopt the following amendments to the Town's zoning ordinance:

*Amendment No. 1.* The first proposed amendment is to add to Section 202, special definition, the following:

h. Condominiums. See cluster housing.

i. Condominium conversions. An apartment building converted for the use and ownership of individual families.

j. Cluster housing. Cluster housing is housing in a cluster development. A division of land into lots for use as individual residential building sites where said lots are arranged into one or more groups having area and yard measurements less than the minimum required by the zoning ordinance."

*Amendment No. 2.* To amend Section 301, Subsection by, deleting "Residential Zone" and replacing it with the following:

"B. Residential zones as follows: Residential Zone I being all that land in the residential zone served by either town water or town sewer and Residential Zone II being all that land in the residential zone served by neither town water nor town sewer."

*Amendment No. 3.* This amendment is to amend Article IV of the Zoning ordinance by adding to Section 402, the following:

"h. Cluster housing: For cluster residential development or residential development in a clustered concept, subject to dimensional and density requirements less than the minimum normally required in the particular district, the following conditions may apply:

1. The tract shall be at least five (5) acres in size and subject to approval by the Planning Board.

2. If developed strictly for one family detached residences the following conditions shall apply:

A. Each individual lot shall be subject to the yard requirements for one family detached dwellings in the residential zone with water and sewer;

B. The total number of proposed lots in the development shall not exceed the number of lots which could be developed under normal application requirements. For purposes of this section, it shall be assumed that a maximum of 80% of the total tract area could be utilized to meet lot area requirements;

C. The development shall be served by an adequate water system and by either the Town sewerage system or community system approved by the State Water Supply and Pollution Control Board;

D. At least 20% of the total tract area (of which 50% shall not be wetlands or over 5% slopeland) shall be set aside as common land and covenanted to be maintained as permanent open space in private or cooperative nonprofit ownership;

E. Such common land shall be permanently covenanted simultaneously with the Planning Board's approval of the final subdivision plan;

F. Such common land shall be restricted to open space recreational uses such as tot lot, park, playground, playfield, golf course, or conservation area and have suitable access to a street;

3. If developed for one-family attached and/or multi-family residence, the following conditions shall apply:

A. Each individual lot shall have a minimum of 20,000 square feet plus 8,000 square feet for each dwelling unit;

B. The total land required for each building shall be 80,000 square feet plus 8,000 square feet for each dwelling unit;

C. The development shall be served by an adequate water system and by either the town sewerage system or community system approved by the State Water Supply and Pollution Control Board;

*Amendment No. 4.* To amend Article V, Section 501, regulating uses in the residential zone by deleting sub section d, which permits farms and gardens in the residential zone and insert in its place the following:

"d. Gardens when incidental to primary residential use but excluding any use injurious, noxious or offensive to the neighborhood."

*Amendment No. 5.* Amend Article V, Section 503(c) and (d) requiring that residential lots meet minimum requirements for frontage on "any one street" to require frontage on an "accepted street" by deleting Section 503(c) and Section 503(d) and inserting in their places the following:

"c. Where town water and town sewer are available no lot shall have less than 100 feet frontage on any one accepted street, not an area of less than 10,000 square feet.

d. If either town water or town sewer are not available, no lot shall have less than 200 feet frontage along any one accepted street, nor an area of less than 40,000 square feet."

*Amendment No. 6.* To amend Article VI Section 601 which governs uses permitted in the business zone by adding the following:

"r. Automobile sales.

s. Sales of goods."

*Amendment No. 7.* Delete all of Section 603 which lists uses not permitted in the business zone and insert in its place the following:

"Section 603. Uses not permitted."

In a business zone, no land, building, structure, or premises shall be used for a coal yard, lumber yard, or for any other purpose injurious, noxious, or offensive to the neighborhood by reason of emission of odor, fumes, dust, smoke, vibration, noise or other cause.

*Amendment No. 8.* Amend Section 604 which governs dimensional restrictions in the business zone by deleting Section 604(f), requiring frontage "on any one street" and inserting in its place the following new section 604(f):

"f. No lot shall have less than 75 feet frontage on any one accepted street."

*Amendment No. 9.* Amend Article VIII Supplemental Regulations, Section 810 to make Section 810 which presently applies to apartment houses also apply to one-family attached dwellings by amending the heading of Section 810 which presently reads "Section 810. Apartment Houses" to read:

"Section 810. Apartment houses and One-Family Attached."

The wording of the rest of Section 810 is not changed by this amendment.

*Amendment No. 10.* To amend Article VIII, Section 811 regulating outdoor signs by deleting Section 811 and inserting "a height of not greater than 7 feet need not be set back more than 1 foot from any side or rear line."

*Amendment No. 11.* Amend the heading of Section 813 which presently reads "Section 813. Mobile Park Regulations." by adding the words "Mobile Home and" so that the first line of Section 813 shall read as follows: "Section 813. Mobile Home and Mobile Park Renovations." This amendment does not alter or affect the language of the rest of Section 813 sub sections (a) through the end of Section 813.

*Amendment No. 12.* Amend Section 813(a)(1) by deleting Section 813(a)(1) and inserting in its place the following:

"1. Mobile Home: Mobile Home shall mean any vehicle or structure so designed that it is, or may be, mounted on wheels, whether demountable or not, and propelled or driven on highways or town streets by its own or other mode of power; and constructed in such a manner as will permit occupancy thereof as a dwelling or sleeping place for one or more persons and provided with a toilet and with either a bath tub or shower and intended to be used as a permanent dwelling unit."

*Amendment No. 13.* Amend Article VIII, Section 813(e)(1) dealing with location of mobile homes and parks by deleting Section 813(e)(1) and inserting in its place the following new Section 813(e)(1).

"1. Location: Mobile home parks may be located only in open space and farming zones and only by exception upon approval of the Board of Adjustment, subject to such conditions as may be imposed by the Board of Adjustment. Mobile home parks shall be at least 200 feet distant from the nearest abutting property and at least 200 feet distant from the edge of the nearest public right-of-way as a buffer zone."

*Amendment No. 14.* Amend Section 813(e)(3) concerning space requirements for mobile homes by deleting Section 813(e)(3) and inserting in its place the following:

"(3) Space Requirements: Each mobile home space shall be at least 200 feet wide and 200 feet deep, and shall abut on a public way with unobstructed access to a public street. Such spaces shall be clearly defined and mobile homes shall be so located that a minimum of 20 feet clearance exists between any part of the mobile home and the lot lines of the mobile home spaces. A. One utility shed and greenhouse not larger than 100 square feet with a height of not greater than 7 feet need not be set back more than 1 foot from any side or rear line."

*Amendment No. 15.* Amend Article VIII Section 813(e)(5) which prohibits location of individual mobile homes or trailers anywhere in Allenstown except as permitted in Section 813 of the zoning ordinance by deleting Section 813(e)(5) and inserting in its place the following:

"5. No individual mobile home or trailer shall be permitted in Allenstown after the date of this ordinance except as permitted under Section 813 and 403 of this ordinance. It shall be further permitted to have an individual trailer or mobile home located in the Town of Allenstown for a period not exceeding 14 days in any one 12 month period."

*Amendment No. 16.* Amend Article VIII Section 813(i) and (i)(1) which prohibits certain alterations and additions to mobile homes by deleting Section 813(i) and Section 813(i)(1).

*Amendment No. 17.* Amend Article VIII Supplemental Regulations by adding the following new provision:

"Section 817. Hazardous Uses Barred. The storage, treatment or disposal of nuclear, chemical or hazardous waste as defined in RSA 147-A:2 VII shall not be permitted in any zone in the Town of Allenstown."

*Amendment No. 18.* Amend Article IX Section 906 by deleting Section 906 and inserting in its place the following new Section 906:

"Section 906. Building permits. The issuance of a zoning permit shall precede or be in conjunction with the issuance of any building permit required by law. A building permit shall be valid for one year from the date of issuance provided that work is commenced under the permit within six months after issuance. Said permit may be renewed for a further period of one year. On new building "construction commenced" shall mean the completion at least of the foundation. After a foundation is constructed, buildings must be completed within one year unless the time is extended by the Building Inspector for good cause. All permits issued prior to the enactment of this amendment shall expire one year from the date of enactment of this amendment unless renewed under the above provision."

*Amendment No. 19.* Amend Article XI Section 101 which provides for a fine of ten dollars (\$10) each day for zoning violations after conviction of a zoning violation in order to increase the fine up to one hundred dollars (\$100) for each day that the violation continues after conviction by deleting Section 1101 and inserting in its place the following:

"Section 1101. In addition to any other remedies authorized by law, in case any building or structure is erected, reconstructed, altered, repaired, converted, or maintained, or any building, structure or land as used in violation of this ordinance, the owner or owners of the building, structure or land, and any other person violating the provisions of this zoning ordinance may be punished by a fine of not more than one hundred dollars (\$100) for each day that such a violation continues after the conviction date not exceeding five hundred dollars (\$500) in accordance with the provisions of RSA 676:17.

*Amendment No. 20.* To Amend Article IV which now contains two sections numbered 403. The first Section 403 concerns mobile homes. This amendment Section 403 concerns dimensional restrictions. In addition, there is already a Section 404 concerning dimensional restrictions. The amendment is to delete the section 403 that deals with dimensional restrictions and to add to Section 404 Dimensional Restrictions subsections a, b, and c so that Section 404 will read as follows:

"No building or structure shall be closer than twenty feet from any street, or closer than thirty feet from any rear or side lot line.

- a. A swimming pool need not be set back more than fifteen feet from the rear lot line.
- b. A garage accessory to a one or two family dwelling need not be set back more than ten feet from the rear lot line; and
- c. A utility shed or greenhouse not larger than one hundred square feet with a height not greater than seven feet need not be set back more than one foot from any side or rear lot line.

*Amendment No. 21.* To amend Article III Section 305 which concerns nonconforming uses by deleting Subsection d of Section 305 and inserting in its place the following:

"d. Restore to other than a conforming use after damage from any cause, unless the nonconforming use is substantially reinstated within two years."

This Article was taken care of on March 13, 1984. The results are known.

### **Article 3**

To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes. A Motion was made by Roger Letendre and seconded by Norman Connor to accept Article 3 as read. Voted and passed.

- 
- Article 4** To see if the Town will vote to authorize its Selectmen to sell any real estate which the Town may have acquired by deed as a result of nonpayment of taxes, and to authorize the Selectmen to give a deed in the name of the Town to the purchaser of such land.
- A Motion was made by Roger Menard and seconded by Jeannette Chevette to accept Article 4 as read. Voted and passed.
- Article 5** To see if the Town will vote to give a one (1%) percent discount on all 1984 property taxes within fifteen (15) days after mailing of the tax bills.
- A Motion was made by Charles Todd and seconded by Roland Martel to amend Article 5 by changing fifteen (15) days to "twenty (20)" days after mailing of the tax bills. Voted and passed. A Motion was made by Roger Menard and seconded by Sharon Ahern to accept Article 5 as amended. Voted and passed.
- Article 6** (By Petition) To see if the Town of Allentown shall call upon the Governor and Executive Council, its State Representative(s) and State Senator to promptly convene a special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Allentown, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire.
- A Motion was made by Charles Todd and seconded by Roy Nedeau to dismiss Article 6. Mr. Todd took the floor and explained that it would end up costing the taxpayers more money to call the special session, and that it wasn't necessary. There was a general discussion as to the advisability of approving this Article. Amendment voted and defeated.
- A Motion was made by Doris Levesque and seconded by Vivian Doane to accept Article 6 as read. Voted and passed.
- Article 7** To see if the Town will vote to raise and appropriate the sum of Four Thousand (\$4,000) Dollars as its proportionate share for the 1984 Youth Services Officer. (This Article is submitted without recommendation of the Budget Committee.)
- A Motion was made by Richard Therrien and seconded by Vicki Kneeland to accept Article 7 as read. There was a lengthy discussion as to the necessity of passing Article 7. Richard Therrien took the floor and explained that the Youth Services Officer works in-house with the juveniles and in some cases it is not necessary to place the juveniles in other more expensive schools. Voted and passed.
- Article 8** (By Petition) To see if the Town will vote and appropriate the sum of Thirteen Thousand (\$13,000) Dollars to road mix Martinson Lane, a distance of twelve hundred (1,200) feet. (This Article is recommended by the Budget Committee.)
- A Motion was made by Roger Menard and seconded by Dennis Bailey to accept Article 8 as read. It was stated that the road was accepted by the Town two years ago. The Selectmen stated that they had never received a deed for the road. Mr. Therrien spoke about the legality of paving this street. Voted and passed.
- Article 9** (By Petition) To see if the Town will vote to purchase and appropriate the sum of Fourteen Thousand Six Hundred Twelve (\$14,612) Dollars to purchase a 1984 GMC one ton dual wheel, four wheel drive dump truck with a nine (9) foot Fisher plow for the use of the Highway Department. (This Article is recommended by the Budget Committee.)
- A Motion was made by Jeannette Chevette and seconded by Richard Bilodeau to accept Article 9 as read. Voted and passed.
-

- 
- Article 10** To see if the Town will vote to raise and appropriate the sum of Ten Thousand Nine Hundred Eighty-One (\$10,981) Dollars for the purchase of a 1984 Ford LTD cruiser for use by the Police Department. (This article is recommended by the Budget Committee.)
- A Motion was made by Sharon Ahern and seconded by Richard Ahern to accept Article 10 as read. Voted and passed.
- Article 11** (By Petition) To see if the town will vote and appropriate the sum of Ten Thousand (\$10,000.00) Dollars for the purpose of building an addition to the Fire Station. (This Article is not recommended by the Budget Committee.)
- Roger Letendre took floor and explained that the addition was needed to house the Fire Department equipment. A Motion was made by Roger Courtemanche and seconded by Richard Courtemanche to appropriate the sum of Thirteen Thousand Nine Hundred and Six Dollars (\$13,906) for the purpose of building an addition to the Fire Station. Voted and passed by a show of hands, 46 "yes" votes and 38 "no" votes.
- BALANCE AMOUNT OF REVENUE SHARING: \$41,558.00
- Article 12** To see if the Town will vote to appropriate the sum of Six Thousand Five Hundred Fifty Eight (\$6,558) Dollars from the Federal Revenue Sharing Trust Fund for use as a set off against the budgeted appropriation of the Town Library. (This Article is recommended by the Budget Committee.)
- A Motion was made by Charles Todd and seconded by Roger Menard to accept Article 12 as read. Voted and passed.
- Article 13** To see if the Town will vote to appropriate the sum of Twenty Thousand (\$20,000) Dollars from the Federal Revenue Sharing Trust Fund for use as a set off against the budgeted appropriation of the Police Department. (This Article is recommended by the Budget Committee.)
- A Motion was made by Roger Letendre and seconded by Ron Peloquin to accept Article 13 as read. Voted and passed.
- Article 14** To see if the Town will vote to appropriate the sum of Fifteen Thousand (\$15,000) Dollars from the Federal Revenue Sharing Trust Fund for use as a set off against the budgeted appropriation of the Fire Department. (This Article is recommended by the Budget Committee.)
- A Motion was made by Ernest Petrin and seconded by Richard Bilodeau to accept Article 14 as read. Voted and passed.
- Article 15** To see if the Town will vote to accept the budget as submitted by the Budget Committee, or pass any vote in relation thereto.
- A Motion was made by Roger Menard and seconded by Jeannette Chevette to accept the budget as amended in the amount of \$1,035,529. Voted and passed.
- Article 16** To hear the reports of Auditors, Agents and Committees or of Officers heretofore chosen, and to pass any vote in relation thereto.
- No action was taken on Article 16.
- Article 17** To transact any other business that may legally come before said meeting.
- A Motion was made by Roger Menard and seconded by Ed Cyr to adjourn the meeting at 2:30 p.m. Voted and passed.
-

---

## Warrant—Allenstown The State of New Hampshire

TO THE INHABITANTS OF THE TOWN OF ALLENSTOWN, IN THE COUNTY OF MERRIMACK IN SAID STATE, QUALIFIED TO VOTE IN THE TOWN AFFAIRS:

You are hereby notified to meet at the Allenstown Elementary School in said Allenstown on Tuesday the twelfth day of March next, at ten o'clock in the forenoon to act upon the following subjects:

- Article 1** To choose all necessary Town Officers for the ensuing year.
- Article 2** To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
- Article 3** To see if the Town will vote to authorize its Selectmen to sell any real estate which the Town may have acquired by deed as a result of nonpayment of taxes, and to authorize the Selectmen to give a deed in the name of the Town to the purchaser of said land.
- Article 4** To see if the town will vote to give a one (1%) percent discount on all 1985 property taxes paid within fifteen (15) days after mailing of the tax bills.
- Article 5** (By Petition) To see if the Town of Allenstown will vote to raise and appropriate the sum of Three Hundred (\$300.00) Dollars for the purpose of installing and maintaining a street light at New England Telephone pole #15/6, Public Service Co. #7/15B2, is located on Letendre Avenue in front of a right of way with no name. (This Article is recommended by the Budget Committee.)
- Article 6** To see if the Town of Allenstown will vote to raise and appropriate the sum of Three Thousand Seventy Five (\$3,075.00) Dollars to install a chain link fence along the fire department station on Ferry Street. (This Article is recommended by the Budget Committee.)
- Article 7** (By Petition) To see if the Town will vote to raise and appropriate the sum of Eleven Thousand (\$11,000.00) Dollars for the purchase of a 1985 Ford LTD Cruiser for use by the Police Department. (This Article is recommended by the Budget Committee.)
- Article 8** To see if the Town of Allenstown will vote to raise and appropriate the sum of Thirty Four Thousand Thirty Three Dollars and twenty four cents (\$34,033.24) for the purchase of a 1985 Ford F700 truck with plow and wing. (This Article is recommended by the Budget Committee.)
- Article 9** (By Petition) To see if the Town of Allenstown will vote to raise and appropriate the sum of Twenty Four Thousand One Hundred Twenty Five (\$24,125.00) Dollars to purchase a 1985 one ton dual wheel, four wheel drive truck with utility body for the use by the fire department as a rescue truck. (This Article is not recommended by the Budget Committee.)
- Article 10** (By Petition) To see if the Town of Allenstown will appropriate the sum of One Thousand (\$1,000.00) Dollars per year to remove the solid waste in back of Riverside Terrace; Riverside Terrace will provide and maintain an eight (8) cubic yard dumpster. (This Article is not recommended by the Budget Committee.)
- Article 11** (By Petition) To see if the Town of Allenstown will vote to raise and appropriate the sum of Twelve Thousand (\$12,000.00) Dollars to road mix Summers Avenue, a distance of one thousand (1,000) feet. (This Article is recommended by the Budget Committee.)

- 
- Article 12** (By Petition) To see if the Town of Allentown will vote to raise and appropriate the sum of Ten Thousand (\$10,000.00) Dollars to grade and to resurface with crushed gravel the entire length of Riverside Drive which is 7/10ths of one (1) mile. (This Article is not recommended by the Budget Committee.)
- Article 13** (By Petition) To see if the Town of Allentown will vote to remove gates and bars from the intersection of Old Chester Turnpike and Granite Street, so-called, to the southerly borderline of P-19.
- Article 14** (By Petition) To see if the Town of Allentown will vote to establish gates and bars for that portion of Old Chester Turnpike that lies South of the southernmost boundary of lots #25 on the Town map, and further to remove any and all gates and bars which apply to that portion of Old Chester Turnpike that lies North of the southernmost boundary of lot #25 on the Town map.
- Article 15** To see if the Town of Allentown will vote to:
- (a) join the Concord Regional Solid Waste/Resource Cooperative (the "Cooperative"), said Cooperative being authorized by RSA Chapter 53-A entitled "Agreements between Government Units";
  - (b) adopt the "Agreement for Formation of Concord Regional Solid Waste/Resource Recovery Cooperative," a copy of which is attached to the Warrant (the "Cooperative Agreement");
  - (c) for the term of the Cooperative Agreement to perform all obligations which may from time to time be required of the Town pursuant to the terms of the Cooperative Agreement;
  - (d) authorize the Board of Selectmen to execute and deliver the Cooperative Agreement (including the completion of the Town's Initial Guaranteed Minimum Quantity on Exhibit A thereto) and such other instruments, agreements, and documents, and to take all such other actions, as the Board of Selectmen may deem necessary or desirable in furtherance of the purposes set forth in the Cooperative Agreement (including, but not limited to, appointing a member to the Cooperative's Provisional Board and Joint Board from time to time); and
  - (e) take action relative thereto.
- Article 16** (By Petition) To see if the Town will vote to allow the Selectmen to appoint a three-member Police Commission. This Commission will act under the Board of Selectmen and above the Police Department and their function will be to mediate between the two.

BALANCE AMOUNT OF REVENUE SHARING: \$34,510.00

- Article 17** To see if the Town will vote to appropriate the sum of Fifteen Thousand (\$15,000.00) Dollars from the Federal Revenue Sharing Trust Fund for use as a set off against the budgeted appropriation of the Highway Department. (This Article is recommended by the Budget Committee.)
- Article 18** To see if the Town will vote to appropriate the sum of Ten Thousand (\$10,000.00) Dollars from the Federal Revenue Sharing Trust Fund for use as a set off against the budgeted appropriation of the Police Department. (This Article is recommended by the Budget Committee.)
- Article 19** To see if the Town will vote to appropriate the sum of Nine Thousand Five Hundred Ten (\$9,510.00) Dollars from the Federal Revenue Sharing Trust Fund for use as a set off against the budgeted appropriation of the Fire Department. (This Article is recommended by the Budget Committee.)
- Article 20** To see if the Town will vote to accept the budget as submitted by the Budget Committee, or pass any vote in relation thereto.
-

**Article 21** To hear reports of Auditors, Agents and Committees or of Officers heretofore chosen, and to pass any vote in relation thereto.

**Article 22** To transact any other business that may legally come before said meeting.

THE POLLS WILL BE OPEN UNTIL SEVEN O'CLOCK IN THE P.M. The business meeting and reading of the Warrant will be held at the Allenstown Elementary School in said Allenstown at 1:00 p.m., Saturday March 16, 1985. Given under our hands and seals this 19th day of February, A.D., 1985.

Gabriel Daneault  
Donald A. Chaput  
Gerard Bourcier  
Selectmen of Allenstown

A true copy of Warrant—ATTEST:

Concord, 03301

Selectmen/Allenstown

October 11, 1984

Gentlemen:

Your Summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1984 taxes on the basis of the following figures.

Net Assessed Valuation	\$40,242,567.00
<b>Taxes Committed to Collector:</b>	
Town Property Taxes Assessed	\$1,488,975.00
Precinct Taxes Assessed	
Total Gross Property Taxes	\$1,488,975.00
Less: Est. War Service Tax Credits	23,700.00
Net Property Tax Commitment*	\$1,465,275.00
 Tax Rate—Town	 37.00
Precinct	

\*The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriation.

The net amounts approved for school, county and precincts are indicated below. These amounts are the total monies which should be transferred to each of these units of government.

Net School Appropriations	\$1,394,211.00
County Tax Assessment	145,128.00
Net Precinct Appropriation (1)	

In arriving at the above approved rate the Overlay has been set in the amount of \$44,141.00.

Very truly yours,  
David J. Power, Commissioner

---

## Department of Revenue Administration

Separate Tax Rates to be Printed on 1984 Tax Bills (RSA 76:11;11-a;13)

Town of Allenstown, New Hampshire

<b>Unit of Government</b>	<b>Rate</b>
Municipal	1.01
County	3.41
School	32.58
Combined Rate (Non-Precincts & Single School Districts—Town or Cities)	37.00

Amount of Taxes to be Committed (per official tax rate letter) \$1,465,275.

RSA 76:11 provides for delivery of the list (warrant) to the collector within thirty days of receipt of approval of the tax rate unless for good cause the time is extended by the department. The collector shall within thirty days after receipt of the warrant from the selectmen (assessors) send out the tax bills unless for good cause the time is extended by this department.

RSA 76:11-a Information Required. The tax bill which is sent to every person taxed, as provided in section II, shall show the rate of municipal, school and county taxes separately, and each bill shall also show the assessed valuation of all lands and buildings for which said person is being taxed. The 1984 rate breakdown reflects a proportionate share of the Reimbursement a/c Property Exempted by 1970 Special Session for each unit of government.

RSA 76:13 provides that interest at 12% per annum shall be charged upon all taxes except resident taxes not paid on or before Dec. 1, except that in the case where a tax bill was sent to a taxpayer on or after November 2 and before April 1st, interest shall not be charged until 30 days after the bills are mailed. The collector shall state on the bill the date from which interest will be charged.

The tax bill which you mail must contain the date from which interest will be charged and this date is determined by the date you send the last bill on the list committed to you. RSA 76:13 also requires that you notify this department in writing of the date on which you send the last bill. There is enclosed a form for this purpose.

Department of Revenue Administration  
David J. Power, Commissioner

# Summary Inventory of Valuation

Town of Allentown in Merrimack County, New Hampshire

accountants & auditors  
193 North Main Street  
Concord, New Hampshire 03301  
Telephone: 603-225-6996

To the Members of the Board of Selectmen  
Town of Allenstown  
Allenstown, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Town of Allenstown, New Hampshire as of and for the year ended December 31, 1983, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the second paragraph, the combined financial statements and the combining fund and account group financial statements referred to above present fairly the financial position of the Town of Allenstown, New Hampshire at December 31, 1983, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Allenstown, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

April 17, 1984

## Allenstown Sewer Commission

To: *Citizens of the Town of Allenstown*

From: *Board of Sewer Commissioners*

The Board of Sewer Commissioners are pleased to submit their reports of the operation and maintenance of the Wastewater Plant and the Town Sewer System for 1984.

We are happy to report that we were able to decrease our sewer rate by .15 this past year and at this time we do not project an increase.

We would like to take this opportunity to inform you that our Treatment Plant has been experiencing a grease problem which is extremely detrimental and costly to our operation. For this reason we ask everyone to refrain from putting cooking grease into the sewer system and thank you for your cooperation in this matter.

During the past year our operational and maintenance costs have been shared with Pembroke at a rate of 51.24% share Allenstown and a 48.76% share for Pembroke.

Our Sewer Commission meetings are held on the first Tuesday of each month and your Sewer Commission welcomes your attendance. Thank you for your continued support.

Sincerely,  
Allenstown Sewer Commission  
Paul Girard, Chairman  
Charles H. Todd, Commissioner  
Robert W. Plourde, Commissioner

# Allenstown Fire Department

To The Citizens of Allenstown:

In 1984, the Allenstown Fire Department responded to 309 calls, an increase of 84% from 1983. A breakdown of these calls are listed at the end of this report.

The addition on the fire station is almost complete. The meeting room, the kitchen, bathroom and truck bay have been completed. Vinyl siding has been installed and the outside walls have 6" of insulation. A hose tower has been added to the building. The Forestry equipment and three trucks are located in the basement of the fire station. Still to be done are the training room, landscaping and the parking lot.

An Emergency Operating Center is housed in the cellar of the fire station. This consists of a meeting room with radiological instruments, generators, maps of Allenstown, and various equipment and supplies needed in the event of a disaster. This is the first time that all emergency units have been located in the same building.

A Rescue Unit was organized in June, 1984. A 1960 Ford truck was converted to a rescue unit, known as 50-X1. Eight licensed attendants are assigned, with more fire fighters to be licensed in 1985. The unit responded to 127 medical emergencies since its start on June 1. A portable cascade system is part of this unit and breathing apparatus can be filled at a fire scene, if needed. This has proven to be a valuable asset to our fire department. The rescue unit was formed to assist Tri-Town Ambulance, and with both units working together, the emergency needs of Allenstown are met. If this service is to continue, a new rescue unit will be needed in the near future.

The Fire Department would like to thank the citizens of Allenstown and the board of Selectmen for their support in 1984.

Yours in fire safety,  
Roger A. Letendre  
Fire Chief

## Concord Regional Visiting Nurse Association

The Concord Regional Visiting Nurse Association, Inc. continued to service Allenstown for this past year. In the Home Care Program, service is provided under a physician's plan of treatment to patients who are essentially homebound with diagnosed illness. This service is rendered by health professionals (Registered Nurses, Physical Therapist, Occupational Therapist, Speech Therapist, Nutritionist) and paraprofessionals (Homemaker/Home Health Aides, Home Assistants) according to the patient's and family's needs. Hospice care is provided to patients in the last six months of a terminal illness. The Health Promotion Program has services (child health, family planning, screening) that are provided to low income/high risk patients and families in group settings, such as clinic and screening sites.

Health Education and Instruction is part of each home visit or clinic visit.

Anyone in Allenstown may request service; patient, doctor, health facility, pastor, friend or neighbor. Patients are also referred by other agencies. All requests are answered, but continuing home care can be provided only with a physician's orders.

A call to the Concord Regional Visiting Nurse Association, Inc., (224-4093) between the hours of 8 a.m. and 9 p.m., seven days a week is all that is necessary to start services or make inquiries. Hospice staff are on call (224-4093) 9 p.m. to 8 a.m.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for those unable to pay the charge if that person has no other funding source available. However, for fee scaling, federal regulations require a financial statement be completed and a fee appropriate for which the patient will be responsible. Town monies subsidize those visits that are scaled or that no fee is collectible.

This Agency is accredited by National League for Nursing and American Public Health Association Certified for Medicare and is a member agency of Home Care Association of New Hampshire, United Way of Merrimack County, and National Association for Home Care.

Visits made during the year beginning October 1, 1983 to September 30, 1984 were:

	<u>No. of Clients</u>	<u>Visits</u>
Home Care	75	2,232
Health Promotion	337	1,195

December 1, 1984

# Allenstown Parks and Recreation

Dear Taxpayers:

This year has been a very prosperous one for Parks & Recreation. 1984 saw the near completion of phase 2 of the Allenstown Park project. All underground drainage and surface catch basins have been installed, major landscaping complete, access road paved and parking lot graded and graveled.

1985 will see the completion of the project with the installation of two picnic tables and outdoor grills and the final seeding of the picnic and playground area.

Projects planned for 1985 are the resurfacing and relining of the courts. They are in bad need as some areas are worn down to the asphalt base. The second project is to asphalt the parking area to avoid erosion from water runoff.

The summer rec program was an overwhelming success again this year. We plan to run the program in 1985 and plan to extend the length of it. I would like to publicly express my sincere thanks to Mr. Harry Brechtel and his staff for the excellent job done in running this program.

My sincere thanks to all.

Ron Adinolfo  
Allenstown Parks & Recreation

# Minutes of the Allenstown School District Meeting

The Allenstown Annual School District Meeting was held on Friday evening, March 9, 1984, at the Allenstown Elementary School. In attendance were all officers of the Allenstown School District, members of the School Administration, as well as approximately seventy-five qualified voters of the Town of Allenstown.

The Moderator, William Smith, called the meeting to order at 7:00 p.m. The Meeting proceeded according to the Articles presented in the ALLENSTOWN TOWN REPORT, for the year, 1983.

**ARTICLE 1** TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO ACCEPT GIFTS AND DONATIONS ON BEHALF OF THE SCHOOL DISTRICT.

A motion was made by Vicki Kneeland and seconded by Joan Menard to accept this article as read. There was no discussion, and this article was declared passed by a voice vote.

**ARTICLE 2** TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO ACCEPT AND EXPEND ON BEHALF OF THE DISTRICT A SUM OF MONEY NOT TO EXCEED \$47,000, TO BE OBTAINED FROM THE FEDERAL GOVERNMENT OR OTHER SOURCES THAT MAY MAKE SUCH FUNDS AVAILABLE TO THE DISTRICT; PROVIDED THAT THE SCHOOL DISTRICT WILL NOT BE THEREBY REQUIRED TO RAISE ANY MONEY BY LOCAL TAXATION IN THIS OR SUBSEQUENT YEARS AS THE RESULT OF SUCH EXPENDITURE OF \$47,000. (Budget Committee recommends approval.)

A motion was made by Joan Menard and seconded by Vivian Doan to accept this article as read. There was no discussion, and this article was declared passed by a voice vote.

**ARTICLE 3** TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO APPLY FOR, ACCEPT, AND EXPEND, WITHOUT FURTHER ACTION BY THE SCHOOL DISTRICT MEETING, MONEY FROM THE STATE, FEDERAL, OR OTHER GOVERNMENTAL UNIT OR A PRIVATE SOURCE WHICH BECOMES AVAILABLE DURING THE 1984-1985 SCHOOL FISCAL YEAR, PROVIDED THAT SUCH EXPENDITURE BE MADE FOR WHICH A SCHOOL DISTRICT MAY APPROPRIATE MONEY AND THAT SUCH EXPENDITURE NOT REQUIRE THE EXPENDITURE OF OTHER SCHOOL DISTRICT FUNDS. FURTHER, THAT THE SCHOOL BOARD HOLD A PUBLIC HEARING PRIOR TO ACCEPTING AND SPENDING SUCH MONEY.

A motion was made by Joe Benninghove and seconded by Joan Menard to accept this article as read. There was no discussion, and the article was declared passed.

**ARTICLE 4** TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE TREASURER, WITH THE APPROVAL OF THE SCHOOL BOARD, TO APPOINT A DEPUTY TREASURER.

A motion was made by Vivian Doan and seconded by Joan Menard to accept this article as read. During discussion it was pointed out that this would not be a full-time position, that it would be in case of absence by the Treasurer. Further, there would be no stipend for the Deputy Treasurer; the only cost to the Town would be to have the Deputy Treasurer bonded.

A voice vote was taken, and determined by the Moderator to be too close to call. On a hand vote, the motion passed 30-24.

---

**ARTICLE 5** TO SEE WHAT SUM OF MONEY THE DISTRICT WILL RAISE AND APPROPRIATE FOR THE ADDITIONAL COST ITEMS AS SET FORTH IN THE LATEST COLLECTIVE BARGAINING AGREEMENT WITH THE ALLENSTOWN EDUCATION ASSOCIATION FOR THE 1984-1985 FISCAL YEAR.

A motion was made by Pauline Begin and seconded by Debbie Keane that the sum of \$40,491, be appropriated for the additional cost items, this amount representing the figure agreed upon as the first year of a three year contract with the Allenstown Education Association.

During discussion, it was pointed out that the base salary for a first year teacher would rise to \$11,400. Frank Danieli explained, in detail, the step and track system, under which a teacher's salary is determined. There followed a discussion of the highlights of the teachers' benefits: 90% BC/BS payment for a single person and 65% payment for a family plan; group life insurance coverage and course re-imbursement. The point was made that with this contract, Allenstown still would have the lowest base salary in the area. Further points were made that those on fixed incomes find it increasingly difficult to pay their taxes, and any increase is considered a burden.

A call for the question was made, and the voice vote was considered too close to call. A call for a show of hands was made, and the vote was 32-30. At this point, a call for a secret ballot was made by Roy Nadeau. It was determined by the Moderator that this was an inappropriate request; he did, however, entertain a request for a division of the House. The division was so made, and the tally was taken by Pat Nardone, School District Clerk and a concurring tally was taken by Patsy Baugh, Assistant Superintendent of Schools. The vote was 33-33, and the tie was broken in favor of the Article by William Smith, Moderator, and the article was declared passed.

**ARTICLE 6** TO SEE IF THE DISTRICT WILL VOTE TO APPROVE THE LONG TERM CONTRACT, SHOULD SUCH AN AGREEMENT BE ACHIEVED, NEGOTIATED BY THE ALLENSTOWN SCHOOL BOARD AND THE ALLENSTOWN EDUCATION ASSOCIATION.

A motion was made by Vicki Kneeland and seconded by Joan Menard to accept this article as read.

A question was asked by Tom Keriazes regarding the ramifications of a negative vote on this question. George Blaisdell, Superintendent of Schools, stated that if the article is defeated, the contract must be re-negotiated next year. The cost for this re-negotiation could be \$5,000. It was further stated that the article asks for acceptance or rejection of the terms of the contract, not a monetary figure. Money can not be appropriated for the second year of the contract until next year's School District Meeting.

A call for the question and a voice vote was taken. It was determined that the voice vote was too close to call, and a show of hands was taken. The vote was 35-26, and the article was declared passed.

**ARTICLE 7** TO HEAR THE REPORTS OF AGENTS, AUDITORS, COMMITTEES, OR OFFICERS CHOSEN AND TO PASS ANY VOTE RELATING THERETO.

There were no reports to hear or votes to be taken.

**ARTICLE 8** TO DETERMINE AND APPOINT THE SALARIES OF THE SCHOOL BOARD AND TRUANT OFFICER, AND FIX THE COMPENSATION OF ANY OTHER OFFICERS OR AGENTS OF THE DISTRICT.

It was stated that the salaries of the School Board and other District Officers will not increase; the appropriation for this article is included within the District Budget.

---

**ARTICLE 9** TO SEE WHAT SUM OF MONEY THE DISTRICT WILL RAISE AND APPROPRIATE FOR THE SUPPORT OF SCHOOLS, FOR THE PAYMENT OF SALARIES AND BENEFITS FOR SCHOOL DISTRICT OFFICIALS AND AGENTS AND FOR THE PAYMENT OF STATUTORY OBLIGATIONS OF THE DISTRICT.

A discussion ensued regarding line 1100 in the Budget. It was stated that the amount recommended by the Budget Committee reflected a decrease in the estimated number of students attending Pembroke Academy for 1984-1985, and therefore a decrease in the amount budgeted for Pembroke Academy tuition. It was stated that the tuition to Pembroke Academy is approximately the same as that for Raymond High School, and approximately \$1100 less than Concord High. A motion was made by Archie Lefebvre and seconded by John Welch to accept the Budget Committee's recommendation of \$2,004,465. A motion to amend the Budget to \$2,044,956—which reflects the monetary amount of the contract—was made by Mark Lefebvre and seconded by Tony Reddington. Gretta Gendron asked that the Moderator explain in detail what a yes vote and a no vote represented at this stage. The Moderator complied with her request, and there was a call for the question. The amendment was declared passed on a hand vote, 32-21.

A discussion on the educational and financial merits of the Kindergarten program ensued. It was pointed out that the Town, due to the distribution formula of Foundation Aid, receives more State assistance with the Kindergarten than without it, actually saving the Town money. The vote on the original question was then taken, again with an explanation by the Moderator of what the yes and no vote would mean. The motion was declared passed on a hand vote, 36-16.

**ARTICLE 10** TO CHOOSE AGENTS AND COMMITTEES IN RELATION TO ANY SUBJECTS EMBRACED IN THE WARRANT.

There were no agents or committees chosen.

**ARTICLE 11** TO TRANSACT ANY OTHER BUSINESS THAT MAY LEGALLY COME BEFORE THIS MEETING.

No other business was brought before the School District Meeting. A motion was made by Priscilla LeMaire and seconded by Sharon Ahearn to adjourn the meeting, and meeting was declared adjourned at 9:00 p.m.

Respectfully submitted,  
Patricia Nardone  
School District Clerk

---

## **Allenstown School District Warrant The State of New Hampshire**

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF ALLENSTOWN IN THE COUNTY OF MERRIMACK QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Allenstown Elementary School in said District on the 8th day of March, 1985 at 7 o'clock in the evening to act upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or Officers chosen and to pass any vote relating thereto.
2. To see if the District will vote to authorize the School Board to accept gifts and donations on behalf of the School District.
3. To see if the District will vote to authorize the School Board to accept and expend on behalf of the District a sum of money not to exceed \$66,087.00 to be obtained from the Federal Government or other sources that may make such funds available to the District; provided that the School District will not be thereby required to raise any money by local taxation in this or subsequent years as the result of such expenditure of \$66,087.00. (Budget Committee recommends approval.)
4. To see if the District will vote to authorize the School Board to apply for, accept, and expend, without further action by the School District Meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the 1985-1986 school fiscal year, provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
6. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents and for the payment of statutory obligations of the District.
7. To choose Agents and Committees in relation to any subjects embraced in the Warrant.
8. To transact any other business that may legally come before said meeting.

Given under our hands and seal this day of February 19th, A.D. 1985.

Ernest Coulombe  
Frank Danieli  
Evelyn Guilbeault  
Allenstown School Board

# School District Audit

Brent W. Washburn, CPA  
Hooksett Turnpike Road  
Concord, New Hampshire 03301  
Telephone 603-224-6133

August 29, 1984

The School Board  
Allentown School District  
Suncook, New Hampshire 03275

Members of The Board:

We have examined the financial statements of the various funds and account groups of the Allentown School District for the year ended June 30, 1984 and have issued our report thereon, dated August 29, 1984. As part of our examination, we reviewed and tested the District's system of internal accounting controls to the extent we considered necessary to evaluate the systems as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon to determine the nature, timing and extent of such auditing procedures that are necessary for expressing an opinion on the financial statements. Such study and evaluation disclosed the following conditions that we believe to be material weaknesses.

The objective of internal control is to provide reasonable but not absolute assurance as to safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurances recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgments by management.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgment, carelessness or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally by management with respect to the estimates and judgments required in the preparation of financial statements. Further projection of any evaluation of internal accounting control to future periods is subject to the risk that procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

Our study and evaluation of the District's system of internal accounting control for the year ended June 30, 1984 which was set forth in the first paragraph, would not necessarily disclose all weaknesses in the system. The following conditions, while not material weaknesses in internal accounting control merit your consideration.

## *1. Inventory of Fixed Assets*

As is the practice with many New Hampshire School Districts, the Allentown School District has not maintained a record of its fixed assets. In order to adequately maintain control of its existing fixed assets, we recommend the District cause an inventory of these assets as soon as practical. As part of their long-term policies, District officials should initiate fixed asset records. Cost or consideration given is the general accepted method for valuing fixed assets, and should be recorded on all new acquisitions. Where adequate documentation of cost is unavailable for existing fixed assets, an estimate of the original cost is an acceptable standard under accounting principles for governmental entities. The existence of fixed asset records will not only aid District officials in their control of these assets, but should be an invaluable tool in long-range planning.

---

2. *Expenditures*

During our review we noted that several invoices were not effectively cancelled so as to prevent their reuse. In addition, all invoice footings and extensions should be reviewed before approval.

3. *School Lunch Sales*

Very little control exists over School Lunch Sales receipts. We recommend that the District investigate the feasibility of implementing control mechanisms at the point of sale.

4. *Student Activity Funds*

Included in the Student Activities Funds is the athletic account, sums are transferred from the General Fund to this account and individual checks are issued from athletic account to referees and umpires at the time the games are played. This activity should be accounted for under the General Fund.

*Publication Requirement*

The provisions of R.S.A. 71-A:21 require that only this letter shall be published in the next annual report of the School District.

However, we suggest that you consider the publication of the entire report which includes auditor's opinion, financial statements and notes to financial statements. No portion of either the auditor's opinion, financial statements or notes to financial statements may be published separately.

We extend our thanks to the officials and employees of Allentown School District for their assistance during the course of our audit.

Very truly yours,  
Brent W. Washburn, CPA

---

## Report of the Superintendent of Schools

This past year has been a busy and rewarding one for the school district. Due to the efforts of our school staff, led by Mrs. Sciarappa and Mr. Gormalley, I believe that our program has improved. A great many staff members, identified in Mrs. Sciarappa's report, have given extensively of their time and efforts for our continuing curriculum and review efforts. These efforts result in improved teaching and learning for children.

Our kindergarten program continues to do well with a very talented teacher. Because of that program, the district received substantially more money in state aid than would have been the case without it.

There has been a number of issues which occurred in the community during the past year which have caused the school to respond quickly. School staff have been instrumental in teaching children about strangers who try to entice them into cars. When the community needed leadership and organization for this sensitive topic the school provided these things. The school has provided information for the large number of children who return from school to an empty home. The school has implemented attendance monitoring procedures so that parents and school staff will quickly know if a child fails to appear at school. These efforts are typical of the actions taken by the school to respond to community problems.

There are two other issues which I feel should be called to your attention. We have, increasingly, a space problem at the school. Several specialized programs such as special education, Chapter I, reading, and the like have been implemented since the building was built. Visitors to the school have repeatedly commented about our space shortages. This situation will worsen in the future. The second issue is that of planned building maintenance. Because the school's budget has been so "tight" in the last several years, maintenance, which should be regularly scheduled and performed on such items as the roof, elevator, windows, and plumbing and heating systems has not been performed. Monies planned for such contingencies, have been removed from the budget in the past several years. While these items may be disconcerting to many of you, I feel it absolutely necessary to call these things to your attention.

Your School Board has given a great deal of their time and effort to provide overall leadership, directions, and governance for the school district. Their efforts are very important to Allenstown's students and citizens and are very much appreciated by those of us associated with the schools.

Respectfully submitted,  
George I. Blaisdell

---

## Report of the Principal 1984-85

### ALLENSTOWN IS SOARING

This year we have selected a theme for Allenstown Elementary School which captures the spirit of our school emblem, the eagle. "Allenstown Is Soaring" and our accomplishments reflect this theme. Our Balloon Release Day the first week of school sent our message to neighboring towns and states. Channel 21 captured this feeling and we were on the news the opening day of school. Our former graduates soared to the top as Pembroke Academy's Valedictorian and Salutatorian are from Allenstown. Our Scholastic Achievement Test scores are well above the average for students across the nation.

### PUBLIC RELATIONS

Research confirms that over 80% of information learned about the schools comes through the newspaper. We've tripled our efforts to keep the community informed. Our new student newspaper, *The Eagle*, reflects the current activities of our students on a monthly basis. A monthly calendar of activities is sent home with each child as well. We continue to receive coverage in *The Suncook Banner* and three times this year a general newsletter was sent to each Allenstown resident.

Our staff has invited parents and other community members to the school on many occasions. The Halloween parade, community breakfasts and lunches, the Thanksgiving Feast and numerous evening music programs brought everyone together. Our new community group, FOCUS: The citizens' investment in education, has helped direct our efforts to involve the community.

### THE CURRICULUM

Our Five Year Curriculum Plan is in its second year. This year we've concentrated on piloting science and health materials. Our science program is outdated but we've discovered some excellent replacement materials. Carolyn Elliott, Chair of the department, has developed a comprehensive resource manual.

A second area of concentration this year has been language arts. Nancy Beaudet has piloted an outstanding primary reading program called AIRS. Janice Kenney, our department Chair, has organized materials for our curriculum guide. Edie Klyve, Nancy Kudler and Barbara Locke have developed a comprehensive program for the Dupont School.

Our thrust in math, chaired by Gail Wright, has been to develop a program to strengthen math concepts. Our eighth grade algebra course continues to be strong and "Math Their Way" has helped provide a stronger foundation for younger students in conceptualizing mathematics.

David Goldsmith, our social studies chair, has provided direction as we plan to update our maps, globes, New Hampshire and American history materials. The new textbooks have been very useful as we build our social studies program.

Rose Galligan and Penny Yeaton have assisted us as we delve into the world of computers. Their three year plan is in its first year and concentrates on allowing students to use computers in the classroom. Parents have been assisting with programming. With less than ten computers in our school, this program has plenty of room for growth.

We continue to provide enrichment for our talented youngsters. Anne Donovan and Katherine Mitchell will sponsor competitors in Odyssey of the Mind. Katherine also directs our newly established ACES program. The grant she and John Kindelan wrote earned \$6,500.00 for our curriculum from state funds. Their work and the enthusiasm of our students from the summer program set our ACES program off in the right direction.

---

Kathy Conlin, Chair of our special needs department, has effectively organized our limited space and materials to serve students with special needs. Her work has provided opportunities for youngsters to remain within the Allenstown Elementary School and receive a fine education despite handicapping conditions.

It is important to recognize that although certain faculty members provide exceptional leadership, each educator makes valuable contributions. Our successes are due to the fact that the teachers and staff are bright, energetic and dedicated. It's working together that makes the difference!

#### *THE SCHOOL BUILDING AND GROUNDS*

Our school beautification efforts were begun in the fall. Bald E, our fluffy eagle, spends one week in the cleanest classroom. Flower bulbs were planted by each child at the lower elementary level and volunteers helped erect our new shrubbery.

The elementary playground was planned and built by community volunteers. It was a great disappointment when weekend vandals damaged some equipment. We'll do some rebuilding in the spring.

This year has been a strained one for building maintenance. Fires, floods, leaky pipes, urinals and walls, poorly wired electrical outlets, the elevator, faulty fire extinguishers and numerous "spot maintenance" projects have been a great concern. The administration and Greta Gendron have developed a Ten Year Maintenance Plan to promote building upkeep.

Classroom space needs continue to be a serious concern. Our open space fifth grade has grown to over sixty-five students. Chapter I, occupational therapy, the art and music teachers and remedial reading are in terribly cramped situations. Our libraries in both schools are much too small. Our first grade classrooms are quite full. The need for space should be carefully studied.

The church has been very cooperative as we continue to lease the Armand R. Dupont School. Roger Letendre has kept the Dupont building running smoothly. Father Jean has been very supportive to our school.

#### *NEW DIRECTIONS*

Michael Gormalley, our new assistant principal, comes to Allenstown with a strong background in education and administration. Through his efforts, the Dupont school is moving closer to a middle school, responding to the needs of the students and staff. He has kept morale high and sought numerous free and inexpensive materials for the school. His presence in both buildings and resourcefulness have been a welcome addition to Allenstown.

Faculty and administrative concern for excellence in the classroom has led to the development of The Evaluation Advisory Council. This group is studying teacher evaluation practices and will present a report to the school board in June, 1985.

Concern for excellence has also led to the purchase of additional testing materials. Our efforts to upgrade our curriculum and teaching methods need to be continuously assessed.

We're proud of our accomplishments and intend to make Allenstown Elementary School as fine as it can be. In the years to come we'd like to continue saying that "Allenstown Is Soaring!"

Respectfully submitted,  
Kathleen Sciarappa  
Principal

# THEORY OF THE EARTH

CHAPTER I. OF THE ORIGIN AND GROWTH OF THE EARTH.

§ 1. The Earth is supposed to have been created out of a state of chaos, or a confused mass of matter, by the action of a Supreme Being.

§ 2. The first stage of the process was the separation of the elements, which formed the solid, liquid, and gaseous parts of the globe.

§ 3. The next stage was the formation of the crust, or solid part of the globe, which was composed of various kinds of rocks and minerals.

§ 4. The third stage was the formation of the atmosphere, or the gaseous part of the globe, which was composed of various kinds of gases and vapours.

§ 5. The fourth stage was the formation of the hydrosphere, or the liquid part of the globe, which was composed of various kinds of waters.

§ 6. The fifth stage was the formation of the living beings, or the organic part of the globe, which were created by the Supreme Being.

§ 7. The sixth stage was the formation of the human race, which was created by the Supreme Being.

§ 8. The seventh stage was the formation of the various nations and peoples, which were created by the Supreme Being.

§ 9. The eighth stage was the formation of the various kingdoms and empires, which were created by the Supreme Being.

§ 10. The ninth stage was the formation of the various religions and philosophies, which were created by the Supreme Being.

§ 11. The tenth stage was the formation of the various sciences and arts, which were created by the Supreme Being.
